

BLADE

CUTTING THROUGH THE DARKNESS

**YOU DON'T SEE BLADE,
BUT BLADE MAKES SURE
YOU CAN SEE.**

ARCHITECTURAL, PATH OF EGRESS SOLUTION.

BLADE COMBINES A FEATURE SET THAT CREATES A UNIQUE PATH OF EGRESS PRODUCT.

Blade combines a sleek design combined with high performance, full cut off optics to achieve unobtrusive illumination of a space or path of egress. When mounted over a doorway or on a mullion, the fixture is perceived as an element of the building structure, and additionally, provides water protection in the form of a drip cap over the entranceway. Multiple lengths are available to match a given door opening and our quick-mount system facilitates installation and maintenance.

SLEEK AND DYNAMIC WITH A SHARP AESTHETIC!

Available in 5 lengths from 20" to 74" wall or mullion mounted. Black, bronze, gray, silver and white standard finishes with RAL custom color options. Battery backup and dual driver options. Full cut off, dark sky compliant and BUG compliant. Bird resistant 10-degree slope! Seamless integration into modern curtain walled architecture with invisible mounting bracket.
